CLASS SELECTION

- Please complete your student's schedule below using the posted tentative schedules for 2010-2011, **including study halls, lunch hours, and any lessons or tutoring you might desire.**
- **If you are registering for a core, please slot that in from 8:30-11:00am. YOU NEED TO ATTACH A CORE DEPOSIT FOR \$100 IN ADDITION TO YOUR REGISTRATION FEE. This deposit will be nonrefundable after June 15th.**
- **Study Hall** is \$3/hour. It is for quiet study, for students 4th grade and up and cannot be taken as back-to-back hours.
- If you will be with your student during an off-period on campus, please designate "**with parent**" during that hour(s).
- You may apply for **private lessons** in piano, guitar, brass instruments, violin, beginner flute or clarinet, and/or voice, as well as tutoring in math or another subject of need, but final sign-up will take place at our mandatory parent meetings in August and/or the first week of classes.
- Remember to **look at the schedules carefully**, and take note of which classes may be meeting two days per week or two or more consecutive hours on one day.
- Please let us know on the back if your student has any scheduling conflicts (ie. two classes desired at the same hour). If enough students have the same conflict, we might be able to adjust things.
- Those classes which do not meet the **8 student minimum** will be dropped unless the teacher chooses to teach for less, or if parents decide together to pay a higher hourly rate.
- A good rule of thumb...taking into account all facility fees, material fees and tuition, a typical class hour will cost approximately \$220 per year. If your student will be taking 6 hours of classes, then multiply that by the \$220 for a rough
