Text to purchase: *The Christian Girl's Guide to Friendship* by Kathy Widenhouse.

Explore the times of past where "Godly Girls" participated in very different activities. Their lifestyles were unlike ours of today and yet they were girls also living under God's grace. This class will participate in crafts and social activities associated with Early Modern times as well as comparing/contrasting those exciting activities your Godly Girl partakes in today. We will explore nature, through nature rubbings, learn fine arts such as calligraphy and get sporty as we play bocce ball, just to name a few activities. This is a time of friendship and fellowship for your student in an encouraging atmosphere. The goals of this class are to strengthen your child's love for God, build strong friendships and learn a lot of really fun things.
