Get ready for fun! Kidz Jam will expose your student to the wonderful world of music and movement! Through the study of multiple genres, we will learn about famous composers, musical styles and basic music theory. We will incorporate movement through dance, drama and rhythm games and exercises, all in a safe, nurturing environment. Performances are to be determined.

Homework = Light

**Patti Selvey** (Kidz Jam 1<sup>st</sup>-4<sup>th</sup>, Musical Showcase 4<sup>th</sup>-8<sup>th</sup>, Harmonies 7<sup>th</sup>+ )

Patti and her husband, Jordan, are entering their 10<sup>th</sup> year of homeschooling. They have five children (ages 2-14). From her earliest memories, art and music have been a part of Patti's life. She began studying piano at the age of 5 and participated in numerous drama productions and choirs throughout her academic life. She spent her first 2 years of college as an intended Music Education major. During this educational stage, she continued to study piano and voice privately, and pursue drama and music theory courses. She appeared in collegiate productions of *Oklahoma!*, *South Pacific* and *Chicago*, as well as performed and choreographed several collegiate show choirs. After marriage, Patti returned to college, changing majors to gain a BS in Accountancy from DePaul University. She has recently completed her Degree in Photography from the New York Institute of Photography and remains a member of several local art leagues, where she exhibits her photography and water-media artwork. In addition, she has served as the early childhood music director for her church. Patti looks forward to sharing her love for the arts with her students at HSU!
